TERMS

- **WOF** = Width of Fabric: cotton broadcloth commonly used for quilting is 42"; all pattern measurements assume fabric to be 42" wide from selvage to selvage.
- **Seam Allowance** = $\frac{1}{4}$ "
- **FQ** = Fat Quarter: a pre-cut of fabric measuring $\sim 18" \times 21"$
- **FE** = Fat Eighth: a pre-cut of fabric measuring $\sim 9" \times 21"$
- **JR** = Jelly Roll: fabric pre-cut (sometimes called Roll Ups, Strip Sets, Pops, or Rolie Polies, depending on the manufacturer) consisting of $2 \frac{1}{2}" \times$ WOF strips of an entire fabric collection. JRs generally contain at least 40 strips and include duplicate prints; double check your JR to ensure it includes enough strips for the size you are making.
- **Sub-cut** = To cut a larger piece into smaller pieces.
- **Chain Piece** = To sew pieces of fabric together, one right after the other, without snipping the threads in between; this allows you to sew many pieces without stopping each time.
- **HST** = Half-Square Triangle
- **Right Side / Wrong Side** = The right side of the fabric is the front of the fabric. If it's a printed fabric, it's the side with printing. The wrong side is the back. Some fabrics, like most solids, do not have a right or wrong side and can be used interchangeably.

BACKING FABRIC NOTE:

The backing yardage requirements include 4" of overage on each side (standard for most longarm quilters).

The requirements assume the most efficient use of the yardage and do not account for directional fabrics or pattern matching. Adjust the backing yardage as needed to fit your needs. For an in-depth tutorial on seamlessly matching a print, visit bit.ly/match-print.

PICK ONLY ONE:

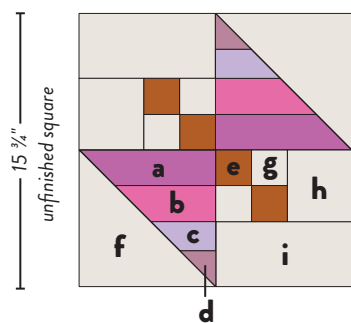

Choose ONE version only – JR Wings **OR** FQ/FE Wings. The Four Patches (Butterfly Body), Background, Binding, and Backing amounts apply to both versions.

* If you're making the JR version, you can use additional JR strips in place of the Four-Patch yardage for all sizes except King. (The King size requires 45 total strips, so you can supplement a JR with extra WOF strips from your stash.) Keep in mind that this will make your Butterfly Bodies scrappy.
